

## The Clockhouse needs your help!

A COMMUNITY fighting fund has been launched in a bid to raise hundreds of thousands of pounds to save a popular village pub.

The Clockhouse Inn in Chideock was destroyed in a fire on April 6th and since then, the pub, owned by Mike and Helen Long, has been gutted, made safe and secured by scaffolding.

The cost of rebuilding it is £475,000 but, after talks with their insurers, the Longs say they are only likely only to receive £202,000.

They say they will either have to sell the site or raise an extra £275,000, which will cover the cost of rebuilding the 16th century pub and the costs of the scaffolding.

The family are staying in Chideock, but with no income or building works starting on the pub, they face being homeless from April.

Now, customers, residents and supporters of the family are rallying together to set up a fundraising page online in a bid to raise £290,000.

Mr Long said: "On Easter Monday our world was torn apart. Our three-generation family-run business burned to the ground, taking with it every single possession that

by Lottie Welch

[lottie@pemedia.co.uk](mailto:lottie@pemedia.co.uk)

we owned, things that can never be replaced.

"The pub was a 500-year-old, grade two listed thatched property and was the hub of our local community."

He added: "Our insurance company are playing the usual games, which is so unfair at this horrible time of our lives.

"They [the insurance company] say I should be insured for £1.3 million, I'm only insured for £560,000 and the rebuild is £475,000 but somehow I am underinsured."

Mr Long said that he had taken regulatory and legal advice but said that would take up to two years and that he would be homeless and with no income from April onwards.

The Go Fund Me page was set up on Thursday (September 10th) and at the time of going to press, the page had raised £2,843 with nearly 1,500 shares on social media.

But there is a long way to go to raise the funds needed and Mr and Mrs Long need to raise it quickly in order to start rebuilding works.

It was estimated that work would start this month but due to disagreements with the insurance company, it is unknown

when or if the work will commence.

"Please help us raise the shortfall so that we may return to doing what we do best," added Mr Long.

"Please help with whatever you can. We will be eternally grateful and the party is on us if we ever get there."

"If every person we reach could just donate £1, we would be home and dry."

"Names would be on plaques around the pub for years to come as saviours of the Clockhouse Inn plus an invite to the relaunch party with food and drink – sounds like a £1 well spent to me."

The appeal has also caught the attention of comedian Al Murray who retweeted the link to the fundraising page on Twitter and supporters are sharing the Go Fund Me page.

**BOB Carter lives in Honiton with his wife Ros and works with Honiton Cats Protection, a charity that helps cats find new homes. He has risen from adopter, to secretary, to the new co-ordinator of the branch.**

#### ● HOW did you become involved with Honiton Cats Protection?

My wife would be classed as an Ailurophile, and started fostering with Honiton Cats Protection in 1992, and I helped her with looking after the foster cats and going on home visits.

In 2003 I became Secretary for the Branch, and continued with assisting my wife fostering, catching strays occasionally, going to check the suitability of homes, when people want to adopt cats etc.

#### ● WHAT are the most rewarding things about helping animals?

Fostering can be very rewarding. Late one night we picked up a cat from Turks Head. It was badly injured as its collar was around her head and paw. After many visits to the vets, her injury was no better, so the vets did a skin graft, which, after three months' care did the job. Following advertising Phoebe, as we called her, was reunited with her original owners. She had been gone for more than a year, and the owners had given her up for lost, so it really was a happy ending.

#### ● ANY unusual incidents?

WE had a mother with some six-week-old kittens, who had not been socialised. My wife Ros warned me that they were a bit feral, but I said they were only six weeks and needed to be handled, I picked one up, and within an instant the kitten had sunk his teeth in my little finger, they only have their baby teeth at that stage, but it was like a few needles going in! It was slightly embarrassing going to Honiton A&E to get it seen to! (I needed a large tetanus jab).

#### ● YOU became the co-coordinator of the branch, what's that like?

It can be quite challenging at times dealing with some difficult issues, there are occasions when you need to take some difficult decisions, for example if a cat has serious health problems, but there are fortunately many more times when we find a lovely new owner a feline companion, and we get photos of the adopted cat in their new home.

Getting enough volunteers to help with fostering the cats in our care, and also to help in our shop in the High street, which is our biggest source of weekly income, in order to be able to do what we do. We do need another fosterer and shop volunteers are welcomed with open arms.

#### ● APART from fostering cats what other aims does Honiton Cats Protection have?

One of Cats Protection's aims is to try to stop too many unwanted cats. This year we have been running a scheme for neutering and microchipping for the EX14 area for £10. Last year we neutered 266 cats, and this year so far about 100, we hope in the long term this will assist in reducing homeless felines.

#### ● YOU'VE been fostering cats from the Cats Protection since 1992?

I HAVE always had cats, from a very young age and they never stop being entertaining. We had a "cat proof" fence built around our back garden, partly to let some of the foster cats have a bit more freedom. At the time we had two cats called Betty and Boop, who we let out in the fenced area. Within about two minutes of being let out, Boop had climbed the fence, and got onto the roof of the bungalow, and we then spent the next hour trying to coax her down! These two cats were homed to a lady in Honiton, who soon became our Treasurer, so cats help with making new friends!

#### ● HOW many members does Honiton Branch have?

We are a small branch covering the EX14 area and have between 30 to 40 members, membership is only £8 a year and you get our small magazine three times a year to keep you in touch with everything.

#### ● HOW many cats do you help each year?

Last year we rehomed 42 cats, and kittens, together with helping reuniting strays with their owners, ferals and other cats in need.

#### ● DOES any of your funding go to the national organisation?

No, all monies raised in the shop or other fundraising goes directly to help cats and kittens in the Honiton area only. We do get a grant to help with neutering, but we keep all money that we raise in the area. We really are a local charity.

# Residents encouraged to make the most of faster broadband

BRIDPORT residents and business owners are being encouraged to make the most of superfast broadband in the area and take up the service.

Since the rollout of the project in the town, only 14 per cent of people with access to fibre have taken the service.

In June, Superfast Dorset announced an extra £3 million investment to extend broadband speed and coverage in Dorset which will benefit Hooke, Swyre, West Belexton, West Milton, Whitchurch Canonorum and Upplers among others.

And leaders of Superfast Dorset are urging more households with access to sign up to ensure the project is a success.

Dugald Lockhart, Superfast Dorset programme lead, said: "Superfast broadband can bring you benefits, whoever you are."

"Businesses can improve profitability through

**by Lottie Welch**

[lottie@pemedia.co.uk](mailto:lottie@pemedia.co.uk)

making efficiencies, enabling staff to work more flexibly and allowing sales teams to reach more customers.

"For families, everyone can be online at the same time, whether they are shopping, watching catch-up TV, doing homework or downloading music.

"And for people living alone, faster broadband means they can keep in touch with family and friends more easily through social media or Skype.

"Bridport was the first town enabled through our programme, we would like to see more people benefitting by getting better connected."

Residents will have to contact their Internet Serv-

ice Provider (ISP) to take up the service, as internet connection does not upgrade automatically.

The current rollout continues to progress throughout Dorset, and to date has provided access to more than 55,000 properties.

In West Dorset, this includes new availability in Bridport, Burton Bradstock, Nettlecombe, Powerstock, Puncknowle, Corscombe and parts of Beaminster.

Work to provide fibre broadband has started in the Marshwood Vale area and Superfast Dorset are still working with Highways England to bring fibre to Chideock, Morcombelake and properties near the East Road (Texaco) roundabout in Bridport.

Businesses are also being encouraged to apply for connection vouchers to help cover installation costs of better broadband.

The scheme, which is on a first come, first served

basis, allows businesses to apply for vouchers from £100 to £3,000 and will end when the national funding pot runs out.

## Butchers celebrate milestone in style

A UNIQUE celebration to acknowledge the UK's oldest family business took place at Bridport Town Hall on Saturday, writes **STUART BROOM**.

Family, friends and customers of butchers R J Balson & Son enjoyed an evening of light refreshment and good conversation whilst raising around £5k for Cancer Research UK.

The current custodian Master Butcher Richard Balson is the 26th generation of the family which started business at The Shambles, just yards from where the event took place. He and his sisters Jane – who is married to the other current Master Butcher, Rudi Boulay – Christina, and their brother Mike, a former Exeter City professional footballer now living in the USA, were present, along with their mother Joan and younger members of the family.

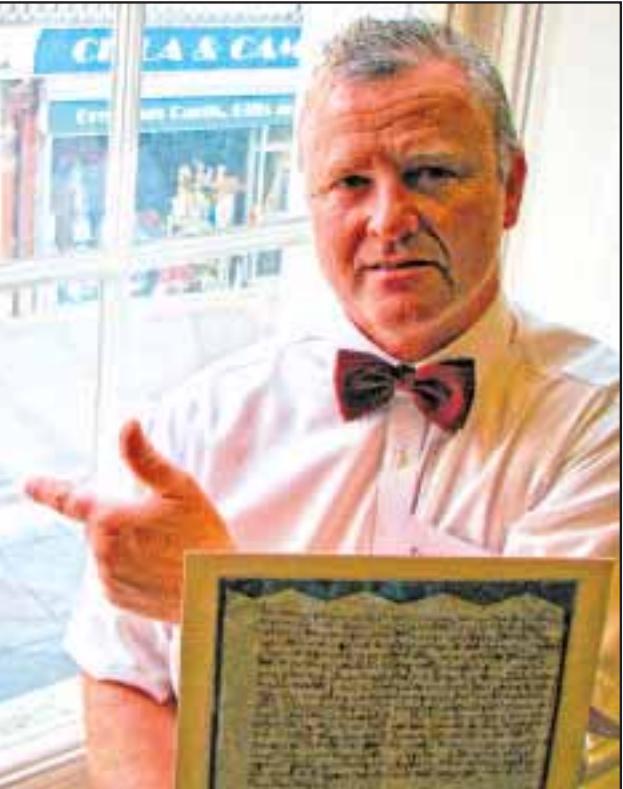

Guests, many of them suppliers and fellow butchers came from all over the UK to help celebrate, and even King Henry VIII, who was on the throne when the business started in 1515, made an appearance!

Not only was it a chance to acknowledge what is a landmark that will not be matched for a century or more, if ever, but to raise money for a charity close to the hearts of the family.

Richard said: "It was a wonderful day, and the family would like to thank all our guests who helped make it such a huge success.

"So many people were taken by the town hall, a lot of them locals, who had not been in the building before and thought it such a fantastic room.

"They were also so generous in supporting Cancer Research UK, and many visitors were taken by how nice the town of Bridport was, its variety of independent shops, and couldn't believe what we take for granted."

■ WHERE IT ALL BEGAN: Richard Balson points to the road outside Steptoes, where the family business started, whilst holding the indenture permitting them to trade in the Shambles

## Passengers sustain minor injuries after car leaves road

TWO people sustained only minor injuries after their car left the road in Morcombelake last Friday (September 11th).

Emergency services were called to

the scene near the Tizards Knapp turning at around 2pm to reports that the car, registered to a man in Southampton, had left the road and one person was trapped.

The road was closed in both directions and caused delays throughout the evening.

A spokesperson from Dorset Police said: "We were called just after 2pm to a single road traffic incident on the A35 at Morcombelake and the vehicle involved was a red Ford Fiesta registered to a man from Southampton.

"The road was closed in both directions from the farm shop in Morcombelake to the Charmouth bypass. The car had left the road and one person was trapped.

"The road fully reopened just after 5pm."

The trapped passenger was released by firefighters and both passengers were taken to Dorset County Hospital.

A spokesperson from South Western Ambulance Service said: "We were called at 2.02pm on Friday; there was only one car involved, which had left the road and possibly rolled over.

"There were two casualties in the car: one was trapped and the other had managed to get out.

"Both only had minor injuries and were taken to Dorset County Hospital to be checked over."

# Kite festival set to fly

THE annual Bridport Kite festival returns to Eggardon Hill this weekend when the skies will come alive with colour.

The event, which was taken over by Bridport Round Table for the first time last year, has been running for over 15 years and attracts hundreds of kite flyers and enthusiasts each year.

And local residents and visitors are being encouraged to grab their kits

and join in the fun for a great family day out. Archie Turner, a member of Bridport Round Table, said: "Eggardon Kite Festival remains one of the great value days out.

"Families can bring their own picnic and kites, or make one at the kit workshop, and enjoy a friendly atmosphere and views from one of the finest view points in Dorset.

"It is all run by volunteers from Bridport Round Table and parents

and staff of Powerstock Primary School will be running the tea, coffee and cake tent."

The kite festival takes place this Sunday (September 20th) from 10.30am to 4.30pm on Eggardon Hill, off Kings Lane.

Entry costs £2 for adults and 50p for children with money raised going towards Powerstock Primary School, Riding for the Disabled and other local charitable causes.

## Sports trust celebrates anniversary

THIS year marks the 40th anniversary of Bridport and West Dorset Sports Trust, the charity behind the town's leisure centre, and members are inviting the public and their loyal customers to celebrate this milestone with them.

Members are hosting a free open day for visitors to find out more about the clubs that call the centre home, what they do and what they offer.

Members of Bridport's rugby club, cricket club, squash and racketball club and swimming club will be demonstrating games, encouraging people to have a go and offering information on what they do for the day as part of the anniversary.

A hog roast will also be available for hungry visitors and the centre will be open for a day of free swimming, including a 'Big Splash' fun session.

The trust was formed in 1975 but the history of the site as a sports and leisure ground dates back to the establishment of Bridport Cricket Club in 1885.

For some 200 years, the grounds have been owned by Palmers Brewery and sport has continued from then until now, free of charge, with the Palmer family's support.

Tony Palmer gifted the undeveloped field to the

trust after indication from planning authorities that planning permission would be granted for residential development, on what is now Watton Park, if the proceeds were to be used to provide leisure facilities.

The trust applied for and obtained planning permission and sold the land to a developer. The sale was completed in 1984 and the proceeds used towards the building of the original leisure centre, completed in 1986.

Nick Neale, general manager at Bridport Leisure Centre, said: "This is a big occasion for the trust and the clubs are an intrinsic part of the centre, so we want to invite the public and our loyal customers to this free open day to mark this milestone.

"Clubs will be showcasing what they offer and visitors will have the opportunity to try for themselves and even sign up to be a member of the various clubs.

"We hope as many people as possible will join us in celebrating 40 years of the sports trust and find out more about the history of Bridport Leisure Centre and its clubs."

The open day takes place on Saturday, September 26th from 10am but pre-programmed classes will go ahead as normal.

## Promoting 'substantial harm'

I WISH to respond to the letter in last week's edition - appealing to hasten the rubber stamp for permission to demolish many working business premises at St Michael's Trading Estate.

Not since David Tett's 2012 letter, *Curtain of Gloom*, have I seen a more distorted and inaccurate picture of the situation.

It seems to me very wrong that an ex-Bridport town councillor should act as a promoter for the interests of a landowner.

David appears to have no respect for the 98.7 per cent of local residents recorded by WDDC against the proposal.

The premise 'ignoring the condition of the buildings is likely to

jeopardise the future of the site' is an absurd statement. Only the landowner can ignore the condition, and in David's mind this warrants a reward?

To say English Heritage is 'happy' about anything in these plans is simply not true.

One EH publication reads: 'St Michael's is perceived to be the most dramatic illustration characterising the 19th century expansion of Bridport's cordage industry.'

Reminder - The Planning Officer's recommendation to refuse reads: 'These buildings are heritage assets and their cumulative loss would result in substantial harm to the character of the Bridport Conservation Area which would not be mitigated

by any public benefits to the scheme as a whole.'

In this proposal 65 per cent of demolished workspace would not be replaced, and the remaining is limited to office use for which there is no demand.

With a record of so many planning problems, the scheme still resembles an attempt to push a square peg into a round hole.

For renovating historic buildings and creating a genuine increase in employment opportunities, grants and funding are available to non-profit making societies - exactly why Enterprise St Michael's was created.

## Ready to work together - if good will is there

LAST week we read an impassioned plea by a West Allington resident for WDDC to hurry up and allow houses to be built on St Michael's Trading Estate, and as a community society representing over 500 local people with the exact opposite idea it would be wrong not to respond.

We do agree that St Michael's is in urgent need of rescue, however let's not forget that it is the conscious decision of the site's owners not to maintain their property which has brought it to this. Spending just a half of their £330,000 annual rent income on repairs would rapidly make a vast difference.

Ninety-three small to medium sized businesses employing over 200 local people are based on St Michael's. If the owners' housing scheme were to go forward that would mean demolition of historic net and twine manufacturing buildings essential to Bridport's unique char-

acter where 72 of those people work, and for what? For 105 cramped, expensive houses and flats jammed together which would only provide what the Planning Officer himself described as 'a poor living environment for new residents', far from what our younger generations deserve.

That St Michael's Trading Estate deserves a better future is not in doubt; but the way to achieve it - if Hayward & Co are unwilling to grasp the opportunity - is for them to talk to those who can develop it for the long term benefit of everyone in and around Bridport.

That's our vision, and Enterprise St Michael's Ltd is ready to work with the District Council and Haywards to that end, if the goodwill is there.

## Let's make Bridport a 'Living Wage Town'

THE Green Party councillors on the town council have started a campaign to make Bridport the country's first town where every employer is paying at least the living wage.

This is a figure calculated by the Living Wage Foundation and nothing to do with George Osborne's attempted re-branding of the minimum wage as a 'living wage'.

Outside London the figure stands at £7.85 per hour and is updated by the foundation each November. In West Dorset about a quarter of employees are on an hourly rate below this.

We are proposing a motion at the full council meeting on September 22nd for the council to pressure its contractors and the employers it grants funds (such as the leisure centre and arts centre) to pay at least the living wage. Also to work with employers' associations to persuade them of the merit of voluntarily and collectively paying the living wage.

We have said this should apply to all employees of 18 and above (except those on genuine apprenticeship schemes that combine work and education / training).

This is crucial because the Government seems to have launched an inexplicable vendetta against young workers. Those under 26 have been left out of the plan for a raised minimum wage and will be left on, by the Government's own definition, less than their notion of a living wage!

Eligibility for housing benefit for 18 to 21-year-

olds is likely to be removed in 2017. As a town we have an opportunity to push back against this discrimination.

Obviously much more is needed to tackle the inequality in our society but at least we could ensure a decent hourly rate of pay.

People in Bridport can help in this campaign by accepting that the price of goods and services need to reflect their true cost, not be subsidised by poverty wages here or in sweatshops abroad.

For many years we have been over-consuming, treating the Earth's resources as an inexhaustible treasury and workers as an input whose price is governed only by the market mechanism of supply and demand.

By reassuring local employers that we would happily pay a higher price justified by their higher wage bill we can all play a part.

The big chains however should simply absorb the cost by cutting shareholder dividends and exorbitant executive salaries.

Members of the public are always welcome to attend council meetings and to ask questions or express their views during the democratic half-hour available at the start of the meeting. They can remain in listening mode for the remainder of the meeting. If you want to come along to back this campaign the meeting starts at 7pm upstairs in the Town Hall on Tuesday, September 22nd.

JULIAN JONES,  
Bridport Town Councillor

However, Mr Stafford Smith did not start the petition but campaigner Gill Fifield.

We apologise for any confusion caused.

# Buckham brings in the big bucks once again

BUCKHAM Fair, run by Martin Clunes (pictured with his horse Ronnie) and his wife with their committee, has raised £63,200 for Julia's House.

Photo by Faye Neal

BUCKHAM Fair had another bumper year and raised thousands of pounds for charity.

The dog and pony show, run and organised by Martin and Philippa Clunes with their committee, raised £63,200 for Julia's House Children's Hospice at this year's event in August.

The annual event attracts thousands of visitors to their farm near Beaminster and they have raised over £300,000 for different charities since 2008, including £67,000 that was raised

last year for the Dorset and Somerset Air Ambulance.

Martin and Philippa Clunes said: "We would like to say a huge thank you to all the stallholders and especially all our visitors who attended in such appalling weather, approximately 7,000."

"We felt so supported by the community and despite the wet and mud, the atmosphere was sensational."

"We would like to say a huge thank you to Barclays Bank this year for bringing their volunteer scheme to Buckham. Whilst the weather took its toll on our numbers through the gate, their volunteer scheme meant the total raised for Julia's House almost equalled last year's total."

"We would like to extend a special thank you to our new main sponsors, Kitson and Trotman Solicitors for coming on board this year."

## Bridport cancer support group showcases talent at first-ever art exhibition

MEMBERS of a Bridport cancer support group have hosted their first ever art exhibition, showcasing the group's talents.

The Living Tree group created pieces that explore their feelings and motivations using various creative outlets, exploring not just their diagnosis, but also their journey through life and the things that are important to them.

The exhibition last weekend, at the Chapel in the Garden, East Street, was curated by local artist Bridget Townsend who has been working with group since February this year and encouraged them to host the exhibition.

The group are also marking the occasion with a lunch for members and friends on the Battle of Britain Day, September 15th, at Highlands End. Proceeds will be given to the Wings Appeal, which supports current and former airmen who have fallen on hard times.

who would like advice, or a chat with others in a similar situation is invited to come along.

Jo O'Farrell, Living Tree founder member, said: "When cancer calls, it really is all hands to the pump."

"On average, it takes at least a year to go through treatment programmes such as chemo and radiotherapy. That is a very sustained effort and the most lov-

ing relatives and friends will get tired.

"It does make a difference when someone relates not just with compassion but really understands the roller-coaster you are on."

"We are here in West Dorset and the bordering counties, working in partnership with Dorset County Council through the Dorset Carers Support Project fund, to share a care."

THE National Trust is hosting a free event at Hive Beach in Burton Bradstock this weekend for visitors to learn more about communication along the coast-line through the ages

## Free National Trust event at Burton Bradstock

THE National Trust is organising a free event at Hive Beach, Burton Bradstock, to celebrate the people who kept a look out along the Jurassic coastline for enemy attacks.

On Saturday, September 19th, the group are inviting the public to learn more about communication through the ages, sending secret messages across long distances, and hands on activities such as deciphering messages through Morse code,

the use of a semaphore or a radio hand.

They will also be joined by staff and volunteers from the Royal Signals Museum in Blandford.

A spokesman from the National Trust said: "As an island, communication along the coast has played a very important role in warning of imminent attack."

"Many of those involved in this vital task lived and

worked at these communication stations for years, especially during the Napoleonic war, including stations such as Ringstead, Golden Cap and Stonebarrow Hill above Charmouth."

The event is part of this year's 50th anniversary celebrations of the National Trust's Neptune Coastline Campaign that has enabled the trust to buy 574 miles of coastline for all to enjoy.

Activities will take place in the car park at Hive Beach, Burton Bradstock, from 11am to 4pm.

It is an outdoor event and visitors are advised to wear clothing suitable for the weather conditions.

Booking is not required but for more information contact the National Trust's West Dorset office on 01297 489481 or email [west-dorset@nationaltrust.org.uk](mailto:west-dorset@nationaltrust.org.uk)

radio, a TV, a portable stereo, and much more.

Local businesses have donated prizes and vouchers, and representatives from the Dorset & Somerset Air Ambulance will be available on the night to collect donations.

The event takes place at The Lord Nelson pub, East Street, from 7pm to midnight on Saturday, September 19th.

Tickets cost £3, which includes a buffet and entry into a prize draw, and are available from Amanda by calling 07792 655659, from the pub or purchased on the door.

Organiser Amanda Smith

said: "I would love to see as many people there as possible. I am sure the evening will be a great event and we hope to raise as much as possible."

The Rambling Hillbillies are also taking part in a four day trek to raise money for the two charities.

They will be trekking around Dorset, Somerset and East Devon from Thursday, September 10th to Sunday, September 13th.

Donations can be made at <https://www.justgiving.com/mandyandwill> and through a link on Amanda's Facebook page.

## Annual RNLI collection raises £1,250

THE annual charity collection for the local RNLI took place on September 5th and 6th and

raised £1,250 for the cause. Collectors were at Morrisons in Bridport raising vital funds

for the charity while donning sou'wester hats, formally worn by lifeboat men, as the fundraiser landed on Bridport Hat Festival weekend.

Event coordinator Jim Slade said: "I would like to thank Morrisons manager Alex Turton for allowing us to collect on their premises and their community champion Steve Doman for his valuable assistance. Thanks also to local decorator Alan Bruce, for his help with erecting flags and bunting, and to the general public and the wonderful people of Bridport who enabled us to raise £1,250 for RNLI funds."

# Churches celebrate 150th anniversary

TWO local churches have marked 150 years of consecration with events over the bank holiday weekend.

St Peter's Church in Eype and St Paul's Church at Broadoak were consecrated in 1865, both daughter churches of St John the Baptist, the parish church at Symondsbury.

They held a marine themed flower show with displays from all the United Benefice Churches – Loders, Symondsbury,

Askerswell, Powerstock, Dottery, North Poorton, Broadoak and Eype – and a special evensong service.

Janet Allen, church warden at St Peter's church in Eype, said: "The whole weekend was fabulous, from the flower festival held with five other churches in the United Benefice joining with Eype and Broadoak in creating the most stunning floral 'marine' displays in amongst the art exhibition

held by Philippa Young.

"Also the archive materials with photographs of all the previous rector, and many pictures of St Peter's since it was built, through to the culmination of their 150 years. And the choral evensong conducted by the Rector Jan Delaney, assisted by Elaine Marsh an two previous Rectors, Ray Forbes and Nerissa Jones."

The congregation was welcomed to the special service by the Symondsbury Handbell Ringers 'ringing the changes'.

The singing was led by Chris Reynolds and the Broadoak Choir, supplemented by members of the St Mary's Choir and a couple of other friends, accompanied by Campbell Hughes on the organ and piano.

A collection was taken to support the Salisbury Diocese and South Sudan Medical Link and over £350 was raised.

Afterwards there was a party hosted by the Friends of St Peter's, Eype, with wine and nibbles.

A toast was also given to the Rev Elaine Marsh who is retiring from regular clergy assistance, but may take an occasional Sunday service in the future.

"A truly wonderful evening," added Mrs Allen, "I hope we don't have to wait another

## Wedding party raises over £1,000 for charity

A NEWLY-wed Beaminster couple came up with a great way of incorporating fundraising for charity into their special day.

Local farmer Ed Bowditch and Beaminster vet Pamela Sibley got married on Saturday, August 29th at South Bowood in a straw church made by Ed for the occasion.

They offered their guests a free bar - run by members of the Beaminster Young Farmers - but with a catch that they should make a donation to the Dorset and Somerset Air Ambulance.

by Lottie Welch  
lottie@pemedia.co.uk

And they managed to raise a total of £1,200 for the charity.

Pamela said: "We decided to have a free bar with donations to the air ambulance.

"Myself as a vet and a keen horse rider and Ed as a farmer, greatly appreciate the work the air ambulance do and the lives that have been saved.

"We hope that we will never need to call them but with the lifestyles we have it is possible, so we felt as a couple it would be a good gesture to donate our bar proceedings to the Dorset and Somerset Air Ambulance.

"Also, the Beaminster Young Farmers have been raising money for the air ambulance for the last year and they kindly run the bar for us for free in return for the donation.

"We were hoping to raise more than we have but the young farmers were happy with the total of £1,200."

Ron and Pam, representatives from the Dorset and Somerset Air Ambulance, were able to attend the couple's special day to mark the gesture.

Tracey Bartram, Dorset and Somerset Air Ambulance communications manager, said: "We would like to thank Pamela, Ed and all their family for supporting the charity.

"With operational costs of over £2 million a year, we rely on donations like this to keep flying.

"This is a wonderful way of raising funds for our cause and it sounds like everyone had a wonderful time in the process."

## Driver hospitalised

A WOMAN was taken to hospital after her car overturned on the A35 early on the morning of Monday, September 7th.

Emergency services were called to the scene on Chideock Road at around 12.30am to reports of a single vehicle incident.

A spokesperson from Dorset Police said: "We were called at 12.24am to a single road traffic incident on the A35 on Chideock Road between the B3162 and the Crown roundabout.

"The car, a grey Ford focus registered to a Bridport woman, had overturned and the road was closed until 4.18am."

A spokesperson from South Western Ambulance Service said: "There was only one female casualty and although her injuries were not thought to be serious, she was taken to Dorset County Hospital."

## New benches donated for community space

THREE new benches have been donated and installed at the Asker Nature Reserve in Bridport.

Residents close to the site, in Asker Meadows, behind South Street car park, have formed the Asker Nature Reserve Project (ANRP) with the aim to transform the unused area - owned by Bridport Town Council - into a community space.

And the three benches, which look towards the river and Bothenhampton, were donated by Bridport business, John Bright Fencing, Bridport Lions Club and West Dorset Mencap, and plaques to officially thank the donors will be placed on the benches later in September.

Jane Wheelwright, ANRP committee chair, said: "We wanted more people to be able to enjoy this wonderful setting with the opportunity to sit down and

admire it. "It is fantastic that these local organisations have donated the new benches which are proving very popular already."

# Dorset-based children's film gets world premiere

by Lottie Welch

[lottie@pemedia.co.uk](mailto:lottie@pemedia.co.uk)

A LIVE-action children's film shot entirely in Bridport and Bournemouth is to get its world premiere next month as part of the 59th British Film Institute (BFI) London Film Festival.

The Dorset-based whodunit, *Who Killed Nelson Nutmeg?*, is the story of four children who are on a "bo-ring" summer camp holiday and suspect the camp's mascot, Nelson Nutmeg, has been murdered, so they set out to investigate.

Filmed in Burton Bradstock and West Bay, the film stars Bonnie Wright – Ginnie Weasley in Harry Potter – who plays one of the grown-ups and the number one suspect.

She said of the project: "I really responded to the fact that it was a kids film for children."

"The script has the voice of a child coming through, and I remember often on family holidays wandering around, finding things to do, the crazy things that entertain children, and the imaginations they have."

The BFI London Film Festival is

Hollywood machine, it has been crowd-funded by the British public and made as a real passion project – it epitomises our film-making heritage."

Established TV scriptwriter Danny Stack said: "Freshwater beach was the only real location we considered for making *Who Killed Nelson Nutmeg?*

"It had everything we needed in terms of a production base, the caravan park where the film is set and the stunning Jurassic coastline. It really helped to make our small film look like an epic movie."

"Big thanks to Scott Condilffe and all the staff at Freshwater beach who made us very welcome, and helped us a lot."

"We were also keen to make the most out of our Dorset location and local filmmaking community."

## Bridport café's first anniversary

A LOCAL community café celebrated a year of culinary success in August.

Maria's Pantry, based at West Way Business Park on the B3162 beyond Allington, is swiftly establishing a reputation as a rustic yet comfortable refreshment stop for walkers, cyclists and tourists

Maria Winters, owner of Maria's Pantry has celebrated a year of success at the café

serving home cooked food.

Café owner Maria Winters, who has been in Bridport all her life, put herself through Weymouth Catering College to embark on this career and open Maria's Pantry.

"In 12 months we have become a real social hub," said Maria. "And that is exactly what I wanted – to add to the community."

"I am well placed for residents of Bridport, Dottery, Salway Ash and the surrounding villages."

She can seat 30 people inside the café, and the same outside, and can cater for restricted diets such as dairy, gluten free or vegetarian.

Maria has also recently launched the Diamond Lunch Club, held each Thursday, which is open to people aged 60 and over who can come in for a roast dinner and a pudding for £7.50.

And on the first Wednesday of each month there is an organised social afternoon at 2pm.

Maria added: "We have got word games such as scrabble and cards so it is a great opportunity for anyone to come and have a piece of cake and make new friends of all ages."

She is also hoping to host theme nights for the winter months, such as Italian cooking and a curry night.

# Councils urge residents to sign up for e-billing

A BRIDPORT resident won £1,000 by opting to receive her council tax bills online.

Chloe Grier signed up as part of a campaign by local councils – West Dorset District Council, Purbeck District Council, and Weymouth and Portland Borough Council – run earlier this year.

They were encouraging residents to sign up with a prize of £1,000 as every person who switches to e-billing saves the public 50p each year in post and printing costs. It is also better for the environment as it saves paper and transport.

The lucky winner of the prize money, which came from the savings made, was Chloe Grier who said: "Signing up is easy, it only took a minute to do and now I don't need to have yet more paper bills to keep or recycle, it is all online. I would recommend it to anyone."

It cost £115,000 to post bills to everyone in Weymouth and Portland, West Dorset and Purbeck last year.

Cllr Anthony Alford, leader of West Dorset District Council, said: "I would like to thank everybody who has switched from paper to

"It is a much more efficient method and saves on paper and postage. Reducing our costs will help to protect services for our residents and communities.

"The competition may be over, but I hope people will see the benefits of e-billing and make the switch."

# Bumper year for Bridport Gardening Summer Show

MEMBERS of the Bridport and District Gardening Club are celebrating after a record summer show for recent times.

The group transformed the Bridport United Church Hall into a sea of colour with flowers, vegetables, homecrafts and handicrafts earlier this month.

The annual show, which took place on September 5th, received a bumper number of entries with over 60 exhibitors and over 500 individual exhibits.

Ann Brown, the show coordinator, said: "After the spring show we were worried that possibly shows like ours had had their day – how wrong were we!

"The show was terrific with an atmosphere of real energy and fizz.

"Club members rallied round and encouraged others who had never entered before to do so.

"We had over 60 exhibitors and well over 500 individual exhibits entered, which is a record for recent times.

"The show committee, volunteers and stewards worked tremendously hard and we are very grateful to them. They really do make it possible to run the shows each year.

"We are determined to continue to develop the show and will be introducing classes for children into our next show on April 2nd – make a note for

your diary!"

The overall show winner was Maureen Coombes who won the Bob Mills Memorial Cup for the highest score in all classes, The Salon Culinaire Salver for the highest score in the homecraft classes, The Walker Cup for the best entry in the homecraft classes, The Deakin Trophy for the best photograph and The P E Payne Memorial Trophy for the highest total score in photography.

Maureen said she was most thrilled to win the best photo-

graph award for the 'Fun in the Sun' category with her 'Two delightful men playing croquet on the croquet lawn in Sidmouth'.

Fiona Graham-Flynn was runner up in all classes and was awarded The E M Page Perpetual Challenge Cup and The Colin Sparkes Cup for the best entry in the vegetable classes.

Another big winner was Basil Malyon who won The Reedwood Bowl for the best flower arrangement and The Stanley Dean Cup for the highest score in floral art.

One of his pieces was for the hat festival exhibit class, which featured a red hat belonging to his wife from local hatters Snooks.

Long serving member Mike Rogers presented the cups and other winners included Pauline Busk – The Palmers Perpetual Challenge Cup and The Silver

Challenge Cup, Pat Shiels – Northover Perpetual Trophy, Cyril Whitlock – The C V Groves Bowl, Ken Hunt – The Greenham Cup, Tony Colles – The Fowler Cup, Stephen Tribe – The Bridport News Challenge Cup, and Pam Cant – The Samways Cup.

Bridport and District Gardening Club shows are open to all, not just members, and the spring show will take place on Saturday, April 2nd.

Visit [www.bridportgardeningclub.co.uk](http://www.bridportgardeningclub.co.uk) or call Ann Brown on 01308 424055 for more details.

## Anchor welcomes new staff with new menu

A LOCAL seaside pub unveiled two new additions to their team at an intimate tasting event last week.

The Anchor Inn, Seatown, has welcomed Jean Paul De Ronne as head chef and David Smith as the cocktail barman with a taster session last week for guests and friends.

Dozens of plates filled with delicious food were put on for the group to sample Jean Paul's new menu and give feedback, while David mixed accompanying cocktails.

Both bean and beef burgers, seafood, salads and Jean Paul's own take on mac 'n' cheese were full of flavour and colour and wowed the guests.

Jean Paul, a wild food and foraging aficionado, has previously worked under BBC MasterChef winner Matt Follas at The Wild Garlic in Beaminster.

The 41-year-old from Yeovil donned his chef whites at the pub in August and plans to incorporate West Dorset's fresh produce into his inaugural menu, which was launched on Monday (September 14th).

It includes dishes such as chilli lamb mac 'n' cheese, Jurassic Coast Bouillabaisse and Black Cow Bloody Mary Barley risotto.

Jean Paul De Ronne said: "I am really looking forward to working in one of the most idyllic pubs in a county that is quite possibly the foodie capital of the UK."

"With such a stunning location, the Anchor Inn is an extremely busy place every day the sun is shining and still when the rain clouds roll in.

"My aim is to create a menu that will have a sense of quintessential rustic charm, with nods to nostalgia and tradition.

"I tend to create homely, earthy and traditional inspired food that sits perfectly in a countryside location."

But the Anchor Inn didn't stop at the head chef, they also brought in an established renowned

David Smith originally started working in various bars in Glasgow but moved down to Dorset over four years ago to work at Hix Oyster and Fish House in Lyme Regis.

The 31-year-old has created numerous signature cocktails although his work with Black Cow Vodka, based at Childhay Manor, is probably more well known.

David is particularly looking forward to having the freedom to create a new and exciting cocktail menu with local twists as well as working alongside

■ MEMBERS of the Bridport and District Model Railway Club visited Swanage railway for a behind the scenes tour

## All aboard for model railway visit

MEMBERS of the Bridport and District Model Railway Club were able to get a behind the scenes look at the Swanage railway at their visit last month.

The group made the trip up to the railway, which is based in Swanage and runs towards Wareham and terminates at Norden near Corfe Castle, for tours and the opportunity to ride on the route.

They visited the Purbeck Mineral and Mining Museum and were given an insight into the Purbeck ball clay industry, its history and narrow gauge railway, which supplied clay for china products.

After the tour and visit to the museum, the group boarded the train at Norden station for Swanage where they were given a conducted

tour of the preservation facilities, workshop and engine sheds.

They were also able to view the former southern region 'Battle of Britain' class steam locomotive number 34070 'Manston' before enjoying the eight mile train journey through the Dorset countryside to Norden.

Some of the group stopped at Corfe Castle to view the museum and the newly constructed signal box, which is now the main control box between the station at Wareham and the Swanage line.

Douglas Beazer, a member of the club, said: "The visit gave us a wonderful behind the scenes look at how the Swanage railway is operated on a daily basis and the enthusiasm of the volunteers [working at the station]."

## Bands play for Mencap

MEMBERS of West Dorset Mencap are hosting a fundraising evening of music with bands '4 to the Bar +1' and 'The Wukers'.

The event takes place on Friday, September 25th at St John's Church in West Bay

at 7.30pm.

Tickets cost £6.50, to include light refreshments, and are available from Bridport Music, South Street, on the door, or by calling 01308 423001.

All profits will go towards West Dorset Mencap.

## Bridport Round Table donation

MEMBERS of Bridport Round Table have helped another local group once again, writes *Lottie Welch*.

The Beaminster under 13s football team were in need of new kits as their old ones were too small and becoming worn.

And that is when Bridport Round Table stepped in and provided 20 new kits for the team.

Giles Moss, manager of the football team, said: "The kits we had were over two years old and nearly collapsing – the kids have grown so much since then."

"Bridport Round Table have been fantastic, absolutely brilliant and it is very kind what they have done."

"The parents said how nice the kits look so

thank you very much for what they have done, it is very much appreciated."

The round table team presented a cheque of £420 to Giles Moss for the kits, which are yellow and blue with Bridport Round Table written on the front of the shirts.

Hugh Matthews, a member of Bridport Round Table, said: "The Beaminster football team really deserved the new kits so it was great that we could help."

"We try to help as many local groups and charities that we can and this one was a worthy team – the kits look great."

"But we couldn't help all these groups without the support of the community donating at our events so a big thank you to everyone."

# Bridport Job Club relaunched

BRIDPORT Job Club is coming back and is to be re-launched following the summer break at a new venue.

The job club – which will be held at West Rivers House at the bottom of West Street – helps local unemployed people search for jobs, make applications, brush up on their CV and interview skills and is also able to link to some training and English and maths support.

The training venue, at West Rivers House, is owned by Magna Housing and operated by Skills Training Bridport.

It has one large computing room with a training and community room, both of which are available for hire to employers or community groups through Skills Training Bridport.

Former volunteer of Beaminster Job Club, Tony Benson, will be taking the role of Bridport co-ordinator, supported by Skills Training Bridport members, town councillor Ros Kayes and Kelvin Clayton – a professional careers advisor – and Alan Leech and Richard Smith of the Bridport Chamber.

Ros Kayes said: "We have a

range of support available, including, we hope, extra support in English and maths, through collaboration with Lymenet, life coaching and mentoring, careers support, job search and interview skills workshops."

The programme will offer tailor made one to one support where it is needed as well as being a place where those searching for work can undertake their job searches and explore job opportunities.

"We would like to thank Mark Andrews, our previous co-ordinator, for his excellent work over the past two years and wish him well in his new job," added Ros.

"I know how many people found work and sometimes a new direction through his support."

Skills Training Bridport has received grant funding from the Red Nose Foundation and Bridport Town Council to run the job club and it is still looking for more volunteers.

To be a volunteer for the job club, by helping for an hour a week, delivering workshops or mentoring, or offering business advice or work experience, contact Tony Benson at [skillstrain@bridport@gmail.com](mailto:skillstrain@bridport@gmail.com)

The same email address can be used to hire the community room or training space.

## ‘Democracy in Bridport’ project kicks off

THE first of the Democracy in Bridport events has opened in Bridport Arts Centre café and foyer.

A seven metre long illustrated timeline about democracy from its beginning in Ancient Greece through to the present day, following events in Western Europe, Britain and Bridport, now hangs in the foyer.

THE Democracy in Bridport project, led by Robert Golden (pictured) has started in Bridport Arts Centre with a democracy timeline and portraits of local people

It creates a picture about how Bridport is a result of and interacts with the rest of history.

There will be paper, pens and stickers to attach comments to the timeline.

This is a product of research and writing by Dave Rickard and Robert Golden, with Rebecca Garner, the lead artist of the art workshops, guiding a number of children and adults in creating images for each period.

In the café there will be a series of large portraits of local people with quotes taken from filmed interviews by Robert Golden.

Mr Golden said: "The portraits along with the quotes offer a view into the deep discontent that so many people feel."

The Democracy in Bridport project has been developed by Home in Bridport leaders – of which Robert Golden is the founder member – and comprises of an exhibition of local artists work, dance performances, puppet play and a multimedia theatre piece.

The project runs from September 15th to October 17th and to find out more visit [www.home-in-bridport.weebly.com](http://www.home-in-bridport.weebly.com)

## Explore Beautiful Beaminster

THERE are only a few towns or cities in the UK beautiful enough to rival the town of Beaminster. It is the town's location in a valley of Dorset countryside that provides its picturesque views and chocolate box feel. Coupling stunning natural scenery with exquisitely designed buildings, Beaminster is the perfect place for

anyone to visit in order to relax.

While the location is serene, there is still plenty to find in the town, from art galleries to flower shops, restaurants to beauty salons; all essentials are readily available. Unrivalled in its independent boutique feel, you will find a treasure trove of vitality from the buzz and bustle Beaminster has to offer. Beyond Beaminster's heart, the Square, you will find yourself wandering the little side streets and marveling at what you find there.

The town is able to cater for your every need and if you desire the hustle and bustle of a busy town, Bridport can be found only 6 miles down the road. A stones throw from there is the now famous West Bay beach, seen in the popular TV series Broadchurch.

### The Westcountry seems to be the place for property investors

BEAMINSTER and its surrounding areas are being sought out by those invested in property, with London at its core. London is the top location of people searching for property in the South West, according to the latest statistics revealed by Property Sharing Experts, the network of independent estate agents with more than 80 offices across the region.

The network holds regular Westcountry Property Exhibitions in the capital and in the periods around each exhibition, its web traffic analysis shows a staggering three times more visitors from London and the surrounding areas than in Exeter, which holds second place.

In order to directly reach these buyers, the organisation will be hosting its second Westcountry Property Exhibition of the year in the capital on 7th October. Local PSE experts will travel to London to discuss our beautiful region and properties will be showcased at the exhibition, which will be held once again at the prestigious and very busy high street offices of Lawsons & Daughters in Fulham.

Visitors to the exhibition will be looking for a diverse selection of property – as homes to move into and investments as well as holiday homes – so details of every property on the market with PSE agents will be taken to the event, which is being advertised in the Evening Standard and Metro as well as regional London publications, in all PSE and Lawsons & Daughters offices, on all property details and on social media sites including Facebook and Twitter.

Edition 16 of Distinctly Westcountry, the network's glossy magazine will be published to coincide with the event – copies will be taken to the exhibition and handed out to visitors. The magazine showcases the very best properties currently available for sale in the region – and not just country estates and manor houses – with PSE, distinctive also includes more modest, yet exquisite or unique homes in some of the finest rural, moorland, waterside and coastal locations.

The magazine is also available to pick up from PSE branches throughout the South West as well as Lawsons & Daughters in Fulham and the Distinctly Westcountry W1 office on Regent Street. For further information or to arrange a free market appraisal for your property without obligation, get in touch with your local PSE estate agent – to find yours, look for the logo in the newspaper or see the directory at [www.propertysharingexperts.com](http://www.propertysharingexperts.com).

## Pamela Rowlands

# Don't let stress affect your health

THE ongoing economic climate could have health repercussions – stress can severely affect health and well-being, making us more prone to illness, cautions Lyme Regis and Poundbury Homoeopath Pamela Rowlands RSHom

Stress prompts the body to increase production of the hormones adrenaline and cortisol, causing changes in blood pressure heart rate and metabolism – necessary in the short term, but over long periods this can lead to headaches, indigestion, diarrhoea, insomnia, general tiredness and even palpitations, anxiety and depression.

Homoeopathic treatment with a fully qualified and registered RSHom practitioner can help individuals cope better with the effects of stress – a carefully chosen homoeopathic medicine matched to the individual patient can help with the mental, emotional and physical symptoms of stress, by triggering the body's natural system of healing.

Pamela explained: "In homoeopathic medicine the approach is holistic, recognising that there is a connection between mind and body, with each prescription based on the individual patient's experience of their symptoms."

In 2005 a service evaluation of homoeopathic treatment at Bristol Homeopathic Hospital reported that 70.7 per cent of 6,544 follow-up patients experienced improvement in their health, in a variety of conditions including migraine, irritable bowel syndrome, depression and chronic fatigue syndrome.

Pamela added: "It is obviously better to seek treatment before symptoms become serious, recognising the early warning signs such as increased irritability, sleeplessness, and feelings of dread or guilt."

Minor, short lived symptoms could be treated at home with homoeopathic remedies, although chronic long-term illness and mental health symptoms should be seen by a professional homoeopath and your GP

Registered members of The Society of Homeopaths are fully insured and agree to practise in accordance with a strict Code of Ethics & Practice.

# Merrick sings Sinatra

ENTHRALLING singer Sam Merrick joins pianist Philip Clouts at the Bridport Arts Centre Jazz Café in an exploration of the vast catalogue of Frank Sinatra's lesser-known works over his expansive career, in what is his Centenary Year.

Sam Merrick, originally hailing from Dorset, is a singer of growing repute. He has appeared on BBC Radio 2 and toured the UK with the renowned Nick Ross Orchestra, and performed with his other projects on the UK Jazz Circuit at prestigious venues including London's Vortex Jazz Club. The Dorset Echo was struck by his "superbly seductive singing".

Philip Clouts is taking some time away from his Quartet project, which is about to launch a new CD with a tour of England and Scotland, to accompany Sam's vocals. Philip has been praised in Musician magazine for his "consummate musicianship" and the Observer said "Clouts makes the piano sound exactly right for each piece".

Frank Sinatra was one of the most popular

entertainers of the 20th century, forging a career as an award-winning singer and film actor. Born in New Jersey in 1915, Frank Sinatra rose to fame singing big band numbers. In the '40s and '50s, he had a dazzling array of hit songs and albums and went on to appear in dozens of films, winning an Oscar for *From Here to Eternity*. He left behind a massive catalog of work that includes iconic tunes like *Fly Me To The Moon* and *I Get A Kick Out Of You*.

Sinatra received a Grammy Lifetime Achievement Award and headlined the 1965 Newport Jazz Festival with Count Basie's Orchestra. The 1960s also marked his Las Vegas debut, where he continued on for years as a main attraction at Caesars Palace. As a founding member of the "Rat Pack," alongside Sammy Davis Jr. and Dean Martin, Sinatra came to epitomize the hard-drinking, womanizing, gambling swinger—an image constantly reinforced by the popular press and Sinatra's own albums. With his modern edge and timeless class, even the radical youth had

Sam Merrick

to pay Sinatra his due. His continued mass appeal can best be explained in the man's own words: "When I sing, I believe. I'm honest."

Sam Merrick performs 'The September of his Years', a tribute to Frank Sinatra, on Friday, September 25th at 8pm at Bridport Arts Centre. Tickets are £10 (£5 students/children) from the box office (01308 424204) or [www.bridport-arts.com](http://www.bridport-arts.com)

## 'John Craxton's Crete' an evening talk by Ian Collins

IAN COLLINS, Curator of Dorset County Museum's John Craxton Exhibition and Biographer of the artist, is giving a talk at Dorset County Museum, on Friday, September 18th, which will focus on the period of the artist's career when he was residing and painting in Crete.

John Craxton (1922-2009) was one of the most interesting and individual British artists of the 20th century. After years of travelling around the Mediterranean after World War 11, Craxton settled in Crete in 1960. His life story, starting with wanderings on Cranborne Chase, was as colourful as his later pictures of the light, life and landscapes of Greece.

The exhibition at Dorset County Museum in Dorchester

charts Craxton's journey from Cranborne to Crete, from early paintings of dark and menaced war-time landscapes to joyful scenes painted under bright Cretan skies. The exhibition runs until Saturday, September 19th.

All are welcome to the talk on Friday which starts at 7.30pm. Doors open at 7.00pm. The talk is free of charge, but a donation of £3 is encouraged to cover costs.

For further information please contact the Museum on 01305 756827, or check the events section of the website at [www.dorsetcountymuseum.org](http://www.dorsetcountymuseum.org).

## The Square & Compass Wedding Barn

### A very relaxed, elegant wedding with very, very good food

THERE has been an inn at Windmill Hill for around 200 years and it is part of the fabric of the area. The Square and Compass is now a well-known hotel, renowned for excellent food. Owners, Chris and Janet Slow have been resident for 17+ years and in this time they have built up a reputation for very good food and drink. Run in a relaxed, informal manner, you can enjoy a drink, some food, or celebrate a special occasion in the Barn, a separate venue behind the Square and Com-pass.

The Barn Set in its own spacious gardens, the Barn is completely separated from the Inn and Stables Hotel rooms and is a very popular venue for weddings. Full of rustic charm with heavy wooden tables, chairs and careful lighting, it is decorated with a rural theme and can hold up to 250 people. The informal atmosphere that gives the Square and Compass its special charm extends to the Barn, allowing you to relax during your special occasion knowing that every detail has been planned exactly to your needs beforehand so the whole day runs seamlessly. We are absolutely committed to making

your day as perfect as we possibly can. The Barn's rustic appearance belies modern facilities. There is a dance area and stage with a powerful sound system and lighting set up. There is also a fully licensed bar, modern toilets and disabled access in all areas. The Barn has a civil license for weddings, with the large gardens surrounded by fields making a truly beautiful setting. We built the Barn using old-fashioned materials, specifically for weddings. We think it is the perfect venue for your special day. The Barn is a little more than 5 minutes from Junction 25 of the M5 at Taunton and likewise from the A303 at Ilminster. Although set in pleasant rural surroundings, it is easily accessible with full facilities available for business meetings, exhibitions and corporate events. The speciality of our weddings is that the whole day revolves around an exceptionally good quality, generous meal in the afternoon, prepared and cooked by a team of highly professional chefs led by Janet, one of the owners. 'We find that if the food is really good everything else slots into place' says Chris.

Open 6 days a week 9am - 4.30pm.  
Thursday - Saturday 9am - 1pm

Staring at a massive 'to-do-list' before your big day can be incredibly overwhelming. Especially when all you want is to create the perfect day for the beginning of the rest of your life, with your loved one to be! So we have broken down the top 10 key elements, to put your mind at ease. So put your feet up, and dream BIG!

#### 1. Budget

Budget equals scary for a lot of people. But all you need to do is think realistically and set a price you and your partner can both agree on.

After this, it's all about prioritizing the things that are most important to you; the spectacular stately home, the stunning vintage wedding dress or the most delicious petits-fours! Knowing what is most important to you will really shape your day into what you both want.

Keep your eye out for hidden charges, such as corkage fees – as this can set you back a small fortune.

#### 2. Location, location, location!

Location is key! Having a personal interest in a venue can really make your day. If you are religious, spiritual or humanist, there is almost certainly a venue out there to suit.

Be mindful that in the UK you can only legally marry in registered locations – but this doesn't have to go against your perfect spot! Blessings can take place on beautiful beaches, majestic woodland and trendy city spots. The world is your oyster!

#### 3. The after party

After the ceremony, you will of course want to celebrate! Of course many ceremony venues are open to you for your whole big day, and offer many packages to suit your budget.

Why not think outside of the box by looking for quaint villages or town halls, industrial warehouses, barns, museums or a meadow for a tipi.

#### 4. Capturing your day

Capturing the memories of your big day is definitely worth considering. When I got married, everything went by so quickly! Being able to hold the memories in my hands and share them with my partner is so precious as we can relive it through the images.

Check out wedding blogs, magazines and word-of-mouth recommendations for brilliant

photographers and filmmakers who can suggest ideas to make your planning that little bit more fun.

#### 5. Keep your guests entertained!

To fill your day with a buzz and to allow your guests to have a complete blast, why not consider hiring some outdoor fun! Everything from croquet, board games, and photo booths – these are all things to think about when going through your checklist.

#### 6. Entertainment

Personalise your entertainment based on your own interests. If you love music then compile your own playlist. Or if you are a keen baker why not host a bake off contest?

#### 7. The after, after party!

Don't forget about getting away as newlyweds after tying the knot! Planning your big day may feel like the most important thing, but finally being married and together holds so much value.

Anything goes when it comes to your first holiday as newlyweds, from glamping on the coast, to treading the souqs of Marrakesh – the world is open to you!

#### 8. Food

Wedding breakfasts aren't what they were 50 years ago! Everything from hog roasts, to hiring a vintage fish and chip van, to a sit-down afternoon tea are all possible.

If you love ice-cream, popcorn or sweets – don't limit yourself to tradition! There are so many things to suit all budgets, and so much available.

#### 9. Your grand entrance

Everything from tractors, to campervans and horse-drawn carriages are available for your big day. Go with what you would feel comfortable sitting in, and think of the great photo opportunities!

#### 10. Do-It-Yourself!

If you want to make your day truly personal, there is so much you can do yourself. Not only will this open up your budget, but also you can truly inject your personality into your day.

Everything from making your own invitations, growing your own flowers, to showcasing your baking skills – you can truly shine on your day.

## Town Band's recruitment drive

DID YOU learn to play a brass instrument many years ago but gave it up as other things got in the way? Have you always wished that you had learned to play a brass instrument when you were younger and now regret that you let the opportunity pass you by? Perhaps Lyme Regis Town Band might be able to help you, as the band is currently embarking on a recruitment drive and is keen to

encourage new members to join its ranks.

Players of all ages and abilities are most welcome, with tuition available for learners and support and encouragement for "rusty" players. The band is keen to stress that learners do not need to be youngsters. It's possible to learn to play at any age and there are several band members who did not pick up a brass instrument until later in life but

are now playing on a regular basis, having learned from scratch. Other players have returned after a break of many years and are now greatly enjoying being part of a brass band again.

So if you're interested in learning more about the band, come along to an informal Open Evening which is being held at the Woodmead Halls on Tuesday, September 22nd at 7.30pm. A range of instruments will be available to try out and you'll be able to chat to band members and sit in on a band practice.

For further details or for any queries, please contact Band Secretary, Gilly Warr on 01297 442719, or send an email to [gkwarr46@gmail.com](mailto:gkwarr46@gmail.com). The band's website is at [www.lymeregis-townband.co.uk](http://www.lymeregis-townband.co.uk).

## SUCCESS FOR SYMONDS & SAMPSON

JEREMY Smith, Senior Manager of Symonds & Sampson's award winning estate agency office in Beaminster is seen here with a delighted Mr. and Mrs. Dent collecting the keys for their new property which they recently purchased through the office. Mr. and Mrs. Dent who also sold their existing property in Crewkerne through Symonds & Sampson commented 'we were very impressed with the service received, not only on our property sale, but also the onward purchase, which was one of a chain of four all being sold by Symonds & Sampson in Beaminster which proved particularly challenging. With regard to our own home we had been on the market with a Crewkerne based estate agent with limited success, however once we had spoken to Jeremy,

we were in little doubt he was the estate agent for us and his Beaminster office certainly combined corporate drive with independent service, which he stresses is his goal. We agreed a sale on our property in less than a week!

We would also like to add a special word for Caroline Childs who handled our sale transaction and purchase very smoothly indeed and I would not hesitate to recommend Symonds & Sampson in Beaminster to all our friends.

Jeremy Smith commented 'it is lovely to hear such kind words from Mr. and Mrs. Dent who were a pleasure to work alongside.' We do aim to provide a world class estate agency service which includes high quality laminate sale details, regular advertising and all of our

client's properties are available on Rightmove, Zoopla and Primelocation. It may come as a surprise to the readers of the View From that many estate agents locally are not on Zoopla and therefore in my opinion are missing out on many London buyers.

If you are considering selling or are on the market without success, why not contact our office on 01308 863100 to book your free market appraisal.

# The all-electric Audi e-tron quattro concept

▲ The Audi e-tron quattro concept

FLOW-ENHANCED design with a drag coefficient of 0.25; powerful, all-electric e-tron quattro drive with up to 370 kW – Audi is presenting the Audi e-tron quattro concept at the International Motor Show (IAA) 2015 in Frankfurt. The car is the company's statement about the future of electric mobility: It is responsive, efficient and suitable for everyday use.

"Audi will present an all-electric, luxury-class sport SUV in early 2018. The Audi e-tron quattro concept provides a concrete foretaste of this," says Prof. Dr. Ulrich Hackenberg, Member of the Audi Board of Management for Technical Development. "It combines driving pleasure with great range, an expressive design and excellent comfort."

## Electric power

The Audi e-tron quattro concept uses the power of three electric motors: One electric motor drives the front axle, the two others act on the rear. Total output is 320 kW. The driver can even mobilise 370 kW and over 800 Nm (590.0 lb-ft) of torque temporarily while boosting. The concept study thus performs like a sports car. When the driver floors the throttle pedal, the Audi e-tronquattro concept sprints from a standstill to 62mph in 4.6 seconds and quickly reaches the electronically governed top speed of 130mph.

The concept with three electric motors which Audi is presenting for the first time makes the technology study an e-tron quattro. An intelligent drive management system

controls the interplay between them as appropriate for the situation. The focus here is on the greatest possible efficiency. The driver decides on the degree of recuperation, the driving program S or D and the mode of Audi drive select.

During sporty driving on a winding road, the Torque Control Manager actively distributes the power between the rear wheels as necessary. This torque vectoring provides for maximum dynamics and stability.

The large lithium-ion battery is integrated into the floor of the passenger compartment. It gives the Audi e-tron quattro concept a balanced axle load distribution and a low centre of gravity – prerequisites for its dynamic handling. The battery's capacity of 95 kWh enables a range of more than 310 miles (500 kilometres). The Combined Charging System (CCS) enables charging with DC or AC electrical current. A full charge with DC electrical current at a charging point with an output of 150 kW takes just around 50 minutes. As an alternative, the study is equipped with Audi Wireless Charging technology for contactless induction charging. The charging process is very convenient. The Audi e-tron quattro concept uses a system for piloted parking that guides it to the proper position at the charging plate. In addition, a large solar roof provides electricity for the drive system battery on sunny days.

The chassis also expresses the high-tech character of the concept study. The adaptive air suspension sport, which features controlled damping, lowers the body at higher

speeds to reduce drag. The dynamic-all-wheel steering combines a dynamic steering system on the front axle with a steering system for the rear wheels. Depending on speed and the driving situation, they steer either in the same direction as the front wheels or in the opposite plane. The Audi e-tron quattroconcept thus reacts even more spontaneously and stably, and is also very manoeuvrable at low speeds.

## Aerodynamic: The exterior design

The Audi e-tron quattro concept harmoniously combines its remarkably aerodynamic design with the all-electric drive system. The five-door technology study is 4.88 metres long, 1.93 metres wide and just 1.54 metres high. Its coupé-like silhouette with the extremely flat greenhouse that tapers strongly

toward the rear lends it a very dynamic appearance. The car's drag coefficient measures just 0.25 – a new best for the SUV segment, where figures are usually considerably over 0.30.

All of this contributes considerably to the long range of more than 310 miles (500 kilometres). At speeds of 50mph and above, electrically actuated aerodynamic elements on the bonnet, the flanks and at the rear end direct the flow of air as needed to improve the flow through and around the vehicle. This is one example of the intensive development work in the wind tunnel. Wind noise is low on board the car, and there is of course an absence of engine noise. The fascination of electric driving unfolds in near total silence.

## The All-new Jaguar F-PACE

THE all-new Jaguar F-PACE is a performance crossover designed and engineered to offer the agility, responsiveness and refinement that all Jaguars are renowned for, together with unrivalled dynamics and everyday versatility. The F-PACE is available to order now at Jaguar UK retailers, priced from £34,170.

Developed using Jaguar's Lightweight Aluminium Architecture, the all-new F-PACE combines purity of line, surface and proportion with F-TYPE-inspired features such as the powerful rear haunches, fender vents and distinctive tail light graphics.

The bold front grille and the muscular bonnet hint at the performance potential of engines like the 380PS 3.0-litre supercharged V6. Elements such as slender full-LED headlights, forged 22-inch forged alloy wheels and short front overhang carry the design vision of the C-X17 concept through to production.

The all-new F-PACE seats five occupants in absolute comfort. The interior is a perfect blend of premium materials and finishes, exquisite detailing, luxuries such as heated, electrically-reclining rear seats, and cutting-edge technologies including the InControl Touch Pro infotainment system and 12.3-inch HD virtual instrument cluster.

Lightweight Aluminium Architecture gave the design and engineering teams the ideal starting point. It was created from the outset as a modular structure, so the wheels can be positioned exactly where they are needed to deliver the proportions, dynamics, and practicality essential for a performance crossover.

The wheelbase and track dimensions of F-PACE are not shared with any other Jaguar. At

4,731mm long and with a 2,874mm wheelbase, the all-new F-PACE offers the sleek profile and short front overhang characteristic of Jaguar design together with an exceptionally spacious interior.

Rear knee-room is class-leading and the luggage compartment volume is an astonishing 650-litres.

The light, stiff body structure comprises 80 per cent aluminium, and is the only aluminium-intensive monocoque in the segment. Additional weight savings come from the composite tailgate and magnesium for parts such as the cross-car beam.

The result is that the rear-wheel drive 180PS 2.0-litre diesel manual transmission model

weighs as little as 1,665kg and achieves CO<sub>2</sub> emissions of just 129g/km. With the 380PS 3.0-litre supercharged V6 petrol engine from the F-TYPE under its sculpted aluminium bonnet, the all-new F-PACE can accelerate from 0-62mph in just 5.5 seconds before reaching an electronically-limited top speed of 155mph.

The body's high torsional stiffness enables the F-TYPE-derived double wishbone front suspension and sophisticated Integral Link rear suspension to perform even better. Together with Torque Vectoring as standard and an Electric Power Assisted Steering system tuned to give the best possible feel and response, the all-new F-PACE sets the benchmark for ride and handling.

# Raising the bar for style and performance in the pick-up market

THE all-new Nissan NP300 Navara sets a new benchmark in the one-tonne pick-up sector, combining the best of Nissan's Crossover leadership with over 80 years of experience in designing and manufacturing robust and cleverly engineered pick-ups.

Improving comfort and refinement while maintaining the NP300 Navara's acclaimed off-road ability, durability and loading capacity, was a cornerstone of the new vehicle's development. The new model is a fully updated version of the previous generation, with a robust and tough chassis which introduces a host of new engineering features designed to further improve drivability and practicality. And using the same Crossover DNA that produced landmark passenger cars such as the class-leading Qashqai, X-Trail and Juke, the new NP300 Navara brings a new level of car-like refinement, style, comfort and quality, as well as first in class technologies to the pick-up market.

The introduction of a market-first five year or 100,000 mile manufacturer warranty with the new NP300 Navara is further testament to the vehicle's credentials, and provides additional peace of mind for customers.

## Ride and Handling

Improving refinement and delivering a Crossover-style driving experience was a key element of the NP300 Navara's development. To help achieve this without compromising the vehicle's acclaimed off-road ability, Nissan designed an all-new five-link rear suspension system for the Double Cab model, providing significantly improved ride comfort and handling, and is 20kg lighter than the previous leaf spring layout.

The King Cab features a substantially updated version of the leaf spring design fitted to the previous generation model. Not only does the new over slung leaf weigh 7kgs less than the previous under slung design, it also gives the King Cab a 3.1 per cent improvement in rear wheel approach angle and delivers a reduction in road noise.

## Technology

In-line with Nissan innovation, the new NP300

Navara introduces an array of new in-car technology. In a sector that has traditionally been slow to adopt the very latest in comfort and safety features, it sets a new benchmark for affordable in-car technology. Around View Monitor and Forward Emergency Braking (FEB) – both highly acclaimed Crossover safety features – are unique to the pick-up market and provide customers with more advanced levels of technology than ever seen in a pick-up. Further safety and convenience features include Cruise Control, Hill Descent Control (HDC) and Hill Start Assist (HSA), all of which have been developed to meet the specific demands of NP300 Navara owners, as well as keyless entry, rear camera and parking sensors.

## Millwey date for spot-on Swallows - Symes triple too much for Bantams

### LYME REGIS 5 TIPTON ST JOHN 2

Devon & Exeter Division Two

WITH five players returning from unavailability Lyme Regis assistant manager Rob Thom, in the hot seat with manager Tim Edwards on holiday, had an embarrassment of riches at his disposal for the visit of Tipton St John.

The Seasiders made a strong start creating a clutch of half chances but had to wait until the 20th minute to open the scoring. Julien Simier burst down the left flank before cutting in and picking out Mark Bailey who made no mistake.

The lead was doubled five minutes before half-time when Bailey squared the ball to Sam Jones whose cross shot caught on the wind, drifted over the visiting keeper and found the net via the far post.

But Tipton grabbed a lifeline a minute before the interval when a long ball over the top caught the Lyme defence square - there was still plenty to do but Jody Freeman's astonishing first time volley from all of 35-yards gave keeper Chris Higgs no chance and left the clubhouse end faithful at the Fort gasping.

The two-goal cushion was restored in the 64th minute when some indecision in the Saints defence allowed Simier to slot home for a richly deserved goal that was merited by a performance that was full of endeavour.

Back came the visitors and they scored a second courtesy of a Kevin Sexton penalty after Lyme skipper Matt Laing was adjudged to have tripped an opponent in the area - a decision that Thom described as 'debatable'.

But the Seasiders weren't to be denied a first ever win in the D&E Division Two.

A fine through ball from Bailey in the 80th minute put substitute Joe Bond clear and the livewire striker finished well.

Bond should have scored soon after but squandered a clear one-on-

one opportunity.

But he atoned five minutes from time with his second of the match to round off an intricate team move with Bailey once again playing the killer pass.

There was still time for in-form Bailey to strike the woodwork direct from a corner but it mattered not and Lyme deservedly had their win. Afterwards Thom was full of praise for Man-of-the-Match Simier but also for the attitude of the whole squad with starting places at a premium. "The lads who started on the bench responded really well - it's a great indicator of the spirit in the club."

**Seasiders;** C.Higgs, A.Cleal, G.Knight, D.Rowe, M.Laing (Capt.), S.Jones, L.Clifton, R.Fellingham, M.Bailey, R.Sargent, J.Simier; Subs used, J.Bond, R.Mowbray, R.Hayter.

### DEVON INTERMEDIATE CUP R1

UPLYME 4 TIVY PARK RANGERS 4  
(Uplyme won 4-2 on pens)

UPLYME recovered from a distinctly sluggish opening 20 minutes to book their place in round two of the Devon Intermediate cup after a dramatic penalty shoot-out win over Tivvy Park Rangers at Venlake.

Ryan Fifer roused the Swallows from their slumbers when he latched on to a fortunate flick on to put Uplyme ahead.

But some slack defending saw the visitors score twice in a ten minute spell before Fifer ran through again to make it 2-2 at half-time.

A rousing team talk from Manager Rod Rowe appeared to spur the hosts on to an improved showing in the second 45 as chance after chance was created - but all were squandered and some more dozy defending handed Rangers a 3-2 lead.

Substitute Niall Waterhouse was then summoned from the bench and had an immediate effect as he squared it up once again with a neat turn and finish that found the top corner to force the extra 30 minutes.

Tivvy took the lead for the third time in the first period of extra time but Dan Boot, another substitute, volleyed home to make it 4-4 with virtually the last kick of the game.

Boot failed from the first kick of the shoot out but a Tivvy miss along with a fine save from Uplyme keeper Joe Cleere allowed Niall Fifer to convert the winning kick.

Uplyme's reward is a home local-derby with Millwey Rise on October 10th.

### PERRY STREET LEAGUE PREMIER

BEAMINSTER RES 5 THORNCOMBE 1

BEAMINSTER Res fell behind to an early Alex Atkins strike at The Memorial Ground.

But they recovered to lead 2-1 at the break. Josh Hunter, fresh from several run outs with Dorset Premier League side Bridport Reserves, struck four times and Sam Tabner once as The Rainbows cruised home 5-1.

### BARRINGTON 0 PYMORE 2

PYMORE continued their promising start with a 2-0 win up at Shelway Lane - never an easy place to go.

After a cagey first-half the visitors led through Liam Proctor's first goal for the club at the interval.

Symes bagged a hat-trick as the Ambers, based on their second

half showing, deservedly banked all three points.

The first-half was more even with the Seasiders, who were playing Division Four football just three years ago, flashing several crosses through the home six-yard box in the early exchanges.

But it was the hosts who grabbed the early initiative when Steve Alferton picked out Symes who lobbed the ball over keeper Toby Fowler. Symes made it 2-0 tapping home after Fowler had parried Kristian Stewart's shot to make it 2-0.

At the other end Pete Peacock was sent clean through but was cut short by what Lyme felt was a very questionable offside flag.

This proved to be a pivotal moment as Netherbury went straight back up the other end and Symes completed his hat-trick with a superb hooked shot.

Peacock pulled one back for Lyme from the penalty spot following a foul on Alfie Jaques.

A fourth Ambers goal was added after the turnaround when Zac Hawker curled a fine free kick around the wall and in off the post.

But Lyme were given a lifeline when Jon Whetlor, back on holiday from his home in Tasmania, netted his first goal for the club for eight years following good work down the flank from Jaques and Rhys Evans.

The comeback was quickly snuffed out by the pick of the goals as Stewart found the top corner from 20 yards.

Netherbury manager Andy Loudon said: "I was without five regulars, so I'm really chuffed with the three points". He picked out Symes for his hat-trick, along with George Green for a top performance, but his man of the match was Stewart for his goal and all round contribution in midfield.

Bantams player-boss Rob Larcombe said: "It was a fair result, but had we taken our chances in the first-half it could have been different." Larcombe picked out Jaques, in a new role in central midfield, as the his top-performer.

### CHARD UTD 1 BEAMINSTER 2

WITH the majority of teams in county cup-tie action, Beaminster grabbed the opportunity to go top with a 2-1 win, their third in a row, over Chard United Jocelyn Park.

Ryan Mason bagged the Chard consolation, with Dan Baggs and Dean Hyett - an 87th minute winner - scoring for the Rainbows.

### DIVISION ONE

BEAMINSTER RES 5 THORNCOMBE 1

BEAMINSTER Res fell behind to an early Alex Atkins strike at The Memorial Ground.

But they recovered to lead 2-1 at the break. Josh Hunter, fresh from several run outs with Dorset Premier League side Bridport Reserves, struck four times and Sam Tabner once as The Rainbows cruised home 5-1.

### BARRINGTON 0 PYMORE 2

PYMORE continued their promising start with a 2-0 win up at Shelway Lane - never an easy place to go.

After a cagey first-half the visitors led through Liam Proctor's first goal for the club at the interval.

Tim Hussey finished well to seal the win with the second goal.

Pymore manager Stuart Hedditch said: "I'm really happy with how we defended and deserved another clean sheet."

Hedditch picked out his skipper Leigh Dowle as MoM.

### DIVISION THREE

CHARMOUTH 5

CREWERNE RANGERS RESERVES 1

GOALS from Bill Ward, Paul Miners, and the three Dan's; Rendell, Rumsby and Watson saw Charmouth record back-to-back wins for the first time in a year.

Ward put The Robins ahead only for Elliott Greed to equalise before half-time.

The second half brought an improved performance and four further goals from the hosts.

"We were flat in the first-half but picked ourselves up after the break and ran out convincing winners in the end," said Charmouth manager Kevin Pratt.

### CHARD UTD ALL STARS 2 UPLYME RES 5

UPLYME Reserves started their campaign by clocking up their first win on the road in eight matches.

The match was notable for manager Stuart Wooster handing debuts to half-a-dozen 16-year-olds who all did well in particular Isaac Rodin who earned Wooster's selection as his Man-of-the-Match.

Uplyme opened the scoring midway through the first-half when Johnny Harris' cross shot deceived the home keeper.

But some hesitant defending in the final seconds of the half allowed Sam Ridley-Brown to equalise.

The visitors failed to learn from the error and more dithering in the Swallows' back line allowed Ridley-Brown an easy second.

Uplyme then had a stroke of good fortune when Will Francis' attempted clearance struck his own post and rebounded into the arms of former Charmouth keeper Marcus Bearpark.

This proved to be turning point as the visitors took control. Ryan Prendeville made it 2-2 before Johnny Harris scored his second from a twice-taken penalty.

Frank Harris made it 4-2 with a fine chip and Alex Jones completed the scoring.

### NETHERBURY RES 8 ILMINSTER TOWN A 2

NETHERBURY Reserves played their first home game of the season at St Mary's with Manager James Sayers filling in between the sticks due to injury and three teenagers in the starting line-up.

The home team dominated for large periods and were rarely troubled at the back.

Pete Ellingham started proceedings with a well taken goal after just two minutes. Daniel Rawlings, who had a superb game sitting in front of the back four, then drilled in the second from the edge of the area.

Winger Ryan Kingston added the third goal with powerful run and finish across the keeper.

Teenager Charlie Morgan added a fourth just before half time and the home team were flying.

Just before the break Manager Sayers was left red-faced when he was

lobbed from fully 30 yards by Rob Belton.

In the second half it was more of the same and Rawlings drilled in another fierce effort from 30 yards to make it 5-1.

Ryan Gay came off the bench to add a sixth before Steve Coombes added a lofted seventh goal, and in the final few minutes Lee Quincey headed the eight.

A lack of concentration at the end allowed Dave Lock to pull back a consolation goal.

Manager Sayers picked out Josh James, Liam Tuck and Kingston for special mentions.

## Bees news

## Gale shines in five-star showing

## Westland Sports 1 Bridport Reserves 3

Dorset Premier Division

MANAGER Shaun Annetts praised his team for a first class performance against a notoriously difficult Westland Sports.

Annetts looked as if he might miss the game to take charge of the first team, but Mark Carter became available, and his players showed their appreciation by continuing the good form they have shown in recent weeks.

He said: "The signs have been there since the Baltic Sports game and they have continued to improve. They have trained well and there is a great spirit among them."

The return of Tristan Gale from first team duties has also been an important feature, and with goal scoring being the one down side, Annetts played him up front instead of his usual role on the left wing and it paid dividends with two goals.

Bridport started very well, another reason for their improvement, and with the defence looking very solid, they had lots of possession and created two or three half chances in the first half hour, so it was no surprise when they took the lead.

Chris Herbst, who along with Tom Blair worked hard down the flanks, combined with Gale to set up Harry Fleet on the edge of the box. Captain for the day, he put his laces through the ball to rifle a superb shot into the top right corner of the Westland net.

They increased the lead early in the second half when Sam Day provided an exquisite curling cross just behind the Sports defence which was met by Gale sliding in at the far post.

With Bridport looking comfortable, the hosts pulled a goal back midway through the half through a penalty, which Annetts deemed a touch hard. Bees' young keeper Josh Hadley was adjudged to have been too robust in his one-on-one challenge with Louis Irwin, and Leo Hayward gave him no chance from the spot.

In the past this setback has sometimes led to Bridport losing their confidence, but not this time. They continued to play the good football and were rewarded with a thirds when Gale, under pressure from his marker, surprised the keeper by hitting his shot early and the ball squirmed under him into the net to seal an excellent victory.

Annetts concluded: "Tristan as always gives everything. His link-up work play along with his speed made him the star player, although this was a first class performance all round."

The Bees Reserves host Holt United this Saturday at St Mary's (ko3pm) but will be without the suspended Day and Herbst.

## Sailors return

DAN and Jenny Jaffe were recently welcomed back into Lyme Harbour by Lyme Regis Sailing Club members and friends after a successful 3½ month clockwise sail around UK in their yacht 'Goodwill' which is berthed in Lyme harbour.

Passing Land's End, the passage took them north to Pembrokeshire, across to the Republic of Ireland, on up to Northern Ireland, then back across to the islands of Scotland's west coast.

Passing through the Caledonian canal, the 29 foot boat reached Inverness and continued down the east coast, back to England, through the Farne Islands to Norfolk and Suffolk.

Crossing the Thames Estuary to round Ramsgate, before they entered the warmer climes of the south coast, stopping in Brighton and Lympstone before reaching the home waters of Dorset.

Dan and Jenny, both very experienced sailors, were joined by various Club members and friends for different legs of the trip.

## West Bay Sea Angling Club

## House's huge haul lands the prize

◆ TOP HAUL:  
Paul House

PAUL House caught an impressive 24 different species of fish to win the John & Frances Hunt Species Trophy during this year's Species & Specimen Festival organised by West Bay Sea Angling Club.

This was no mean feat as each fish had its own length, and anything under 15cm wasn't counted in the week-long event that saw anglers fishing along the Jurassic Coast.

PJ Wheeler took second place with 22, the same as Ollie Mears who was third.

The David Cornick Specimen Trophy was won by Ian Draper who caught a Golden Grey Mullet, which was 104.11 per cent of specimen weight.

The Junior Class was won by Ewan Chambers who beat his brother Aaron by two fish, whilst Ian Draper and Paul House won the Pairs Pool.

The Golden Fish, which was a Ballan Wrasse, was jointly won by Craig Horton and Frances Kitchin. The latter caught hers off the East Pier which on landing snapped her rod.

All the fish that were caught were measured, witnessed, and returned immediately to the sea alive.

## Bridport Gig Rowing Club

## Ladies round off fine season at Newquay

BRIDPORT gig rowing club's Ladies crews competed in the Newquay County Gig Rowing championships over the 5th and 6th of September.

This two-day event is regarded as the second most important event of the season, behind the world championships.

Rounds one and two are held on the Saturday, with the semi finals and finals on the Sunday.

Crews are drawn boats from a hat as there is only room for a few gigs in the harbour.

Races are timed with fastest boats going through to the next round. However this year saw a different turn of events.

Racing began with strong northerly winds creating a big swell making for difficult racing.

By heat 11 it was decided that there would be no more racing that day due to the deteriorating sea conditions.

Bridport Ladies' B crew were due to race in heat 12 with the A crew in heat 13 which meant their races were to be car-

ried over into the next day.

This came as a disappointment to the crews as they had been warming up when the decision was made.

Racing began early the next morning with the B crew rowing a good race against some strong crews from Cornwall, Devon and Dorset, but unfortunately they did not secure a fast enough time to go through to round two.

The A crew set off at a fast pace and remained strong round the two buoys earning themselves second place and a spot in round two.

Their next race was even tougher and they finished in 39th position, with the B crew in 55th - not enough to reach the semi finals.

This saw the end of a successful season for the Bridport ladies who would like to thank their coxes - Jason Matthews and Kevin Batchelor.

For the ladies, preparation for the upcoming season now begins with winter training, both on and off the water.

## Wales or bust for local rally duo

◆ LAST CHANCE: The Welsh Rally will be the last chance this year for Ireland and Scadding (seen here competing in last year's Cambrian Rally) to win some silverware after a season of mechanical failure

HAVING retired from this year's BRDTA Championships following their failure to complete the third of the nine stages in this year's event, local rallying duo Rex Ireland and Adrian Scadding have decided to finish the year in style by entering the Wales Rally GB in November.

The pair have had good success in the BRDTA Rally over the years, but having had to retire in two of the first three stages and missing the other because the car was not ready, they decided their chances of being competitive would be limited especially as they don't compete in all nine.

This is the first time the pair have contested this annual national rally which began in 1953 and has been won by great rallying heroes such as Hannu Mikkola (four times), Timo Mäkinen and British drivers Roger Clark and Colin McRae (three times each).

The event is run over three days November 12th-15th and includes 19 competitive stages including the return of the Myherin and iconic Great Orme stages, and covers almost 102 miles of Welsh forest racing on loose gravel in North Wales,

the only tarmac being the Great Orme in Llandudno.

Scadding said: "After the disappointment of the BRDTA we decided we would like to test ourselves in one of the most prestigious rallies in the UK; we have taken part in the

Roger Albert Clark Rally in 2010 and have done Monte Carlo three times, so we thought it would be a good experience."

They will be competing in the Historic Cup in their 1977 Ford Escort.

## Rugby

## Winning start

## Bridport 17 Wheatsheaf Cabin Crew 15

BRIDPORT Rugby Club Opened their account in their first Dorset & Wilts 2 (South) league game of the season with a good win against a physical Wheatsheaf side.

The visitors bossed the early exchanges and Bridport lost Mike Pibworth and captain Tom Gamwell to injury within the first 20 minutes.

A soft penalty gifted the visitors three points, and an unconverted try added five more, but Bridport were beginning to exert some control.

Bridport's forwards, industrious throughout the game, earned a scrum on WCC's 22. Good set play from the backs led to Nathan Herbert breaking the line and a good offload sent Man-of-the-Match Daragh McLoughlin over for a try which Ricky Stubbs converted.

Replacement Bobby Lester-Card slotted a long-range penalty to take the hosts 10-8 ahead at half-time.

Bridport dominated for much of the second half but missed a handful of good scoring opportunities with the last pass going astray.

Finally it all came together with another Herbert offload sending Rich Middleton on his way to a try under the posts. Lester-Card added the conversion.

A charged down kick and some shaky defence led to a converted try for WCC and a tense five minutes ensued as Bridport held on for the win they deserved. 17-15 the final score.

Bridport head to Bournemouth on Saturday full of confidence after a solid all-round performance.

## Three way battle

FIRS, Cedars and Dogwoods are locked together at the top of the Morning League with two matches to go.

Sheila Burt and Lyn & Mike Craddock's Cedars trounced Dogwood's 20-4 to move back into a three way tie; their captain Mike Fletcher left kicking himself for playing his star player Sylvia Fletcher out of position, which meant they never got the great start she has provided all season.

Pat Anderson and Rose & Chris Everest's Firs are the new leaders over the Cedars after a 13-8 win against the Alders.

Tony Sharrow, Ann

Parkins & Barbara Jenkins's Hazels ended the Kingwoods hopes of honours, beating them 10-7, whilst Gordon Lee, Peter Varney & Martin Wilton's Larches who led Gumtrees 11-2, just edged it at the end 13-12.

Mary Hansford, Peter Hunt & Mike Parsons's Fox Hounds stay ahead of the Evening League thanks to a runaway 27-7 win over Airdales. Jack Russell's have the same number of points but have played a game more.

Julian Swinburne, Barry Mapson & Martin Wilton's Dalmations kept the pressure on the top two with victory over the Collies 17-7.

Viv Gill, Keith Peraux & Keith Jenkins' Harriers finished 3.1.6 to earn a 16-11 win over the Kerry Blues. Meanwhile David Jenkin, Geoff Hansen & John Davies's Great Danes thumped the Labradors 18-4, and Liz Walker, Brian Legg & Ivor Parker's Beagles finished 2.1 to draw with Val Dodd, Jenny Harding & Phil Hedges' Elk Hounds 15-15.

## Hand it to Glover

By Richard Jackman  
IN the September medal, Division One, Tom Glover shot a brilliant -2 gross 69, including a dazzling back nine with four birdies and an eagle, for the best score of the day to win by one shot from Gareth Williams, nett 69, who just pipped David Riches on countback.

Division Two was won by Mark Lewis with a nett 69, with Neil Smith in 2nd place one shot behind and Merv Knight 3rd with a nett 71.

Richard Jackman won the seniors' Gordon Putter competition with a nett 65, but the headlines went to Roger Clarke who came second with 67 which included a hole-in-one on the 3rd. Jim Kerr edged out the rest to come 3rd on countback with a nett 70.

In the midweek stableford a romping front nine saw Colin Baker take the honours with 36 points from George Seed, 35 points who pushed Kevin Payne to third on countback.

The junior medal saw the first three all score a nett one over par 72, but on countback the order was Ben Prosser, David Lyon and Jonathan Day.

## Successful finals weekend at Lyme Regis Bowls club

WHAT a busy week! three friendlies and the Club Finals on Saturday and Sunday writes Paul Moffitt.

First up on Finals weekend was the Ladies 4 Wood Championship between Ann Allman and Angela Rattenbury. Angela took a while to get going whilst Ann opened up an 11-3 lead. Angela fought back to 12-14 but, experienced campaigner Ann took control to win 14-22.

Next up was the Ladies Invitation contested between Jan Parsons and her partner Dave Wood and Pam Weech and her partner Trevor Allman. This game started out as a very one-sided affair, Trevor & Pam opened up a lead of 22-1 which was to prove too much for Dave and Jan who succumbed to a 28-11 defeat.

The afternoon brought the three set singles between Charlie Barber and Barry Rattenbury. Despite the name of this competition, the final is played over five sets. The first went to Barry 8-3 then the second to Charlie 7-5. They took a set apiece over the next two to set up the deciding 5th. It took eight ends to find a winner with Charlie edging it at 7-5 to secure the title.

The Ladies Drawn Pairs was between Nola Stephens & Jasmine Bishop and Angela Rattenbury & Judith Moffitt. Jasmine and Judith had a good tussle up front with little to separate them but, at the back end Nola's skipping credentials were too strong for Angela and the game was wrapped up at 22-7.

The married couples final was between Ann & Trevor Allman and Sue & Dave Wood. Sue more than held her own against Ann but Trevor, who had switched to the back end for this encounter, appeared too hot to handle for Dave. Despite tying at 8-8 after eight ends, the Woods slowly lost ground and were finally beaten by 23-14.

Into Sunday's programme and the morning was set alight by the encounter between Barry Rattenbury and Steve Pomeroy contesting the Men's 4 Wood Handicap. Barry was giving away one shot to Steve, that'll change next year, and so the game commenced.

I have been watching and commenting on these finals for many years now and this has to be the standout game with the duo putting eight woods into the space of a tea tray. But it was Steve who holed out with a two to clinch the title 21-19.

The Ladies Handicap match between Nola Stephens

and Diana Courtenay-Smith was another absorbing encounter. Nola had no answer to Diana's impeccable drawing and flamboyant weighted shots early on and

◆ GREAT MATCH: Barry Rattenbury (left) and Steve Pomeroy played out an enthralling Mens' 4-Wood Final with Pomeroy scraping home 21-19

soon found herself trailing 16-5. However, Nola suddenly became energised and Diana appeared to flag and the balance of the game changed with Nola managing to come home 23-19.

In the Open 2 Wood Pairs Charlie Barber & Tony

Payne took on Pam Weech & Geoff Clode. Charlie's back-end game was immaculate and the pair eased over the line at 18-9.

In the 'Rocky' it looked as if Eric Skeemer opened up a commanding 13-5 lead over Philip Stephens. But Philip dug deep with two and four shots in consecutive ends to win 21-16.

Paul Pomeroy, who was delayed because he was competing in short mat finals in Exeter, had to sacrifice his 2 Wood match against Geoff Clode in order to play in the Men's Championship against Charlie Barber.

Charlie edged 7-3 in front after five ends. Paul managed to nose ahead ahead at 10-7 after nine ends and never lost the lead thereafter winning 21-14.

The Fillies title went to Pam Weech who overpowered Nola Stephens 21-3.

In the Men's Drawn Pairs there was a big shock with the much-fancied Don Meylan & Mick Heneghan beaten 27-15 by relative newcomer Roger Bishop 7 Philip Stephens.

◆ WINNERS: The Lyme Regis Men's Vets team of (from left); Henry Barlow (Cox), Elliott Dale, Tony Ford, Chris Bailey, Neil Spurdle, Toby Newson, Nick Bale

seconds behind them on the finish line.

Lyme entered a second B crew in a borrowed boat and finished 6th ahead of the host crew.

Following this was the Men's B race in which Lyme entered their C team. Again, a credible performance saw them finish 5th only seven seconds behind Bridport B.

The remaining races would see the senior section of the Lyme club come into their own, in so doing increase their overall rankings for the afternoon.

In the Ladies Vets Lyme club made a significant contribution by posting an impressive 4th position.

In the Men's Vets, after a very good start, they very soon made headway over all of the competition with the biggest threat coming from the Weymouth crew.

After a close run race, Lyme took Weymouth on the line to win the race by five

seconds.

This left the Mixed crew race. After a battle with 'Spirit of Langstone' from Hayling Island, the Lyme crew in 'Black Ven' nosed in front of them to take 3rd

position, 11 seconds ahead of the Hampshire crew.

This, again, earned the Lyme club a podium finish, sharing it with Weymouth and Bridport.

## Class shows as Bees are dumped out of FA Cup

### Bridport 2 Larkhall Athletic 5

FA Cup preliminary - att: 150

ALTHOUGH they didn't help themselves by making errors, Bridport were outgunned by higher opposition Larkhall Athletic in the FA Cup First Qualifying Round at St Mary's on Saturday writes Stuart Broom. The game was effectively over when the Larks took a four-goal lead after just 26 minutes.

Bridport had started at a pace with Jamie Symes weaving through the visitors defence from kick-off before he was finally stopped before he could get a shot off.

However it was down the flanks where Larkhall won the game, their two big men up front holding the ball up well and three of the goals resulted from almost identical situations.

The first, after two minutes, was rather fortunate - a cross from the

right was missed by the Bees defence the ball struck a surprised Jamie Lyons on the leg and wrong footed keeper Ashley Weeks and trickled into the net. Joe Raynes doubled the advantage on 16 minutes when he easily converted a ball passed along the six-yard box before he turned provider with an identical goal for Dean Griffiths.

A fourth followed soon after, although this time it was from distance, Lyons' drive from 30-yards giving Weeks no chance.

Bridport got on the score sheet two minutes before the break when Warren Byerley netted following a free kick, and he almost added another on the half-time whistle but his header came back off the cross-bar.

However, there was to be no second half recovery as Larkhall extended

their lead when Matt Thorne converted a corner eight minutes in. With the Larks perhaps taking their foot off the pedal, Bridport began to get into the game for the first time and they produced some neat football without really troubling the visiting defence. They got some consolation four minutes from the end following a great run and cross from Chris Clarke which Tom Richardson powerfully headed home. Assistant manager Mark Carter said: "They were a lot sharper than us. The lads never gave up, but four goals down after 26 minutes, it was difficult for us to get back in it. I don't know if we froze a bit at the beginning, but in the end class told. The Bees hoped to get back to winning ways last night (Tuesday) when they entertained Gillingham in the Toolstation League.

◆ ENGLAND HONOUR: Local golfer Sophie Keech helped England retain the Home Internationals title after an intensely tight week at Royal Wimbledon. The team produced a great singles performance to beat Ireland 5-4, but had to wait for the outcome of the other match, between Wales and Scotland before they could be crowned champions. Sophie (pictured third from left above), who is ranked no 2 in England, has been invited to play on the ladies European Access tour at Stoke by Nayland in October where she came 1st Amateur and 7th overall.
